

# Earn extra income with your business

We're looking for great neighborhood businesses like yours to become Amazon Hub Partners.

When you become a Partner, Amazon will deliver packages to your business every day and you and your staff will deliver those packages to customers' homes within your community.

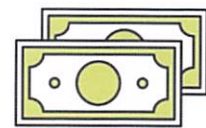

## How it works

Amazon will deliver 20-50 packages to your business daily

You and your staff will deliver packages within your community during downtime or with your existing deliveries

Stay focused on your business and earn extra money

## Get started

Scan the QR code or visit [amazon.com/hubdelivery](https://amazon.com/hubdelivery) to talk to an Amazon representative and learn more about the program and the income potential.

**"I'm actually serving the community, helping them out delivering packages. What better way to serve people than to be delivering smiles with Amazon."**

—Current Amazon Hub Partner, Greenville Auto Parts

## The benefits

Earn extra income—get paid for every package you deliver

Give your business more visibility in your community

Access to Amazon technology and expertise

## We make it easy

- No delivery experience required
- No long-term contracts
- No startup costs
- An app that helps guide you through deliveries
- Weekly direct deposits into your bank account
